Public Forum:

Chris Fluegge is worried about the very large evergreen tree on South Vine making it very difficult to proceed from W. South St. Mr. Fluegge also stated that the stop sign is ran frequently, a white truck nearly hit him while he was on his golf cart. Jim Thompson has talked to the homeowner in the past about removing the tree because trimming the tree would disfigure the tree. Complaints about the tree at that time were that cars were unable to pass going to and from Vine Ct. She was not willing to have the tree removed at that time. Ken Peterson and Mr. Fluegge are going to talk to the owner of the tree.

A speed bump was suggested to be installed to help slow motorist that are ignoring the stop sign.

Also, Steve Woods came in requesting the triangular portion of property behind him. Amy Rupiper is going to investigate the tax records to see who technically owns it. Steve is also concerned about the property that Illinois American Water leases. He says they don't take care of the property. He tries his best to maintain the property.
